

EDUCATING FUTURE LEADERS FOR RESILIENT FOOD SYSTEMS

ICA Forum, Cluj-Napoca – 15/10/2026

Mieke Uyttendaele¹, Carl Lachat¹, Liesbeth Jacxsens¹, Joost Dessein², Marijke D'Haese²
Faculty of Bio-Science Engineering, Ghent University, Ghent-Belgium

MASTER STUDENTS IN FOOD @FBE

MSc. in Bioscience Engineering:
Food Science and Nutrition

International MSc Nutrition and Food Systems

MSc. in Bioscience Engineering
Technology: Food Industry

Erasmus Mundus MSc
Rural Development

International Interuniversity
MSc. Food Technology
(UGent-KULeuven)

INTERNATIONAL LEARNING, RESEARCH & GLOBAL PARTNERSHIP

[PISA 2018 Global Competence | OECD](#)

No Food, No Future Let's Fix That!

A Mini-Symposium

Explore how we can create stronger, more resilient food systems together.

When? Tuesday March 25, 16:00
Where? Oehoe, Block E, Campus Coupure
For who? Personnel, Students

More information and registration

EDUCATING FUTURE LEADERS

- **Striving for (more) sustainable solutions**
 - E.g. course Sustainable agriculture, sustainable processing, sustainable food systems
- **Promoting creativity & new ideas**
 - E.g. course Product Innovation
 - E.g. course Project Design
 - E.g. course Professional Conduct in Biosciences
- **Integrating scientific excellence with policy**
 - E.g. course 'Food and Nutrition Policies'
- **Including stakeholder engagement**
 - E.g. course Community Engagement
 - E.g. course Marketing & consumer behaviour
 - E.g. Case studies in collaboration with (inter)national partners

<https://studiekiezer.ugent.be/2026/studiefiche/en/I003090> - Portfolio

Wicked problems favour interdisciplinary collaboration & interconnectedness
 → need of open mindset, active listening & getting out of your comfort zone
 → goal: personal development & reflection
 → Internationalisation@home

Stay informed about global developments

- Lifelong learning

Cultural flexibility and communicative competence

- Keep practising

E.g. Help in food bank (CSL)

E.g. Debate, conference

Resto Campus Coupure — FBE –UGent

The menu is designed with seasonality in mind and takes into account the distance ingredients need to travel, helping to promote fresh and more sustainable food choices → **‘Living Lab’ for protein shift**

STUDENTS4FOOD TALKS 2026

Tuesday, 3 November 2026 - 13h30 - 17h00
Benelux House - BRUSSELS

International Days 2026

Welcome to the International Days, taking place from 26 to 29 October.

October 26, 2026

→ 13:00-13:30: [Keynote Session on Green & Sustainable Mobility](#)

→ 18:00-21:00: [Food4Thought: Ultra Processed Foods \(UPF\)](#)

CIVIL SOCIETY & RESEARCHERS WORKSHOP **'THE RIGHT TO FOOD AND FOOD JUSTICE'**

18/09/2026 | 9:30 - 12:30
Technicum 1, Room 3.2

PARTICIPATORY ACTION RESEARCH

= Researchers to actively contribute to transformation of food systems together with stakeholders

The screenshot shows the website for COST Action CA25159. The header includes the COST logo (European Cooperation in Science & Technology) and navigation links: COST Actions, Funding, About, Open call (Fund your network), e-COST, and a search bar. The main banner features the text "CA25159 - From Data to Decision in Transforming Agrifood-Systems - Operationalizing One Health through AI (Agrifood-OneAI)" and a "Downloads" link. A sidebar on the right titled "Action Details" lists: MoU - 073/26, CSO Approval date - 19/05/2026, Start date - 22/09/2026, and End date - 21/09/2030.
