# 4. Our International Degrees

# International Degrees

## Bachelor's degree Viticulture and Enology

From technical knowledge to professional practices, students will get a broader perspective in viticulture and enology, with particular focus on sensory analysis.

## Master of Science Wineryard and Winery Management

The program is designed to provide the knowledge and training needed to manage a wine company or a wine estate in an international context.

université  
de BORDEAUX

## Universidade de Santa Catarina – Brazil

The international double degree program aims to enable students regularly enrolled in agronomy courses at Bordeaux Sciences Agro and the Universidade Federal de Santa Catarina (UFSC) to obtain degrees recognized by both institutions.
