

**Higher Education Institutions  
& Responsible Research and Innovation**

HEIRRI project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 666004

**RRI** seeks the alignment between R+D+I and the societal needs, values and expectations. **HEIRRI** aims to integrate the concept of Responsible Research and Innovation (**RRI**) at all stages of **b** of scientists and engineers, as well as other fields or professions working on or affected by R&I. **10 pilot training programmes:**

01	<b>Studying Responsibility: A Module-Based Integration of RRI into Bachelor's Programmes</b>	<b>BA</b>	Modules	0.5 ECTS
02	<b>Introduction to RRI: A Lecture for Bachelor's Students</b>	<b>BA</b>	Lecture	3.0 ECTS
03	<b>The societal embeddedness and impacts of R&amp;I: doing and experiencing dialogical reflection</b>	<b>MA</b>	Seminar	6.0 ECTS
04	<b>Enhance your thesis</b>	<b>MA</b>	Seminar	2.0 ECTS
05	<b>Responsible PhD: Integrating RRI into PhD Research</b>	<b>PhD</b>	Seminar	2.0 ECTS
06	<b>Integrating RRI into research: a workshop for PhD candidates</b>	<b>PhD</b>	Seminar	0.5 ECTS
07	<b>Teaching RRI in higher education</b>	<b>Staff</b>	Online course	–
08	<b>Facilitating reflection on RRI</b>	<b>Staff</b>	Workshop	–
09	<b>Investigating Responsibility in Research and Innovation</b>	<b>Open</b>	Summer school	4.0 ECTS
10	<b>Concepts and practice of RRI</b>	<b>Open</b>	MOOC	2.0 ECTS
