Intervention to bend the curve for biodiversity

Prof. Dr. Stephan Dabbert

20th of October 2022

12th ICA Rectors and Deans Forum

UNIVERSITY OF
HOHENHEIM

Background – State initiative on taxonomy

Aim

„Strengthen the competences on biological diversity within Baden-Württemberg and **spread them into society.**“

W. Kretschmann, prime minister of the State of Baden-Württemberg (press conference on 5th of November 2019)

1. Seeding knowledge on diversity in society

- **On the trail of insects and flying artists** workshops for pupils with an interest in biodiversity
- **Humboldt reloaded project** on how to discover biodiversity with pupils
- **Exhibitions, informations, events** for broad public

UNIVERSITY OF
HOHENHEIM

2. Educate experts

- Certification
- Networking events for specialists
- Field trips and trainings
- Scientific advice for policymakers
- Public talks about biodiversity science
- Conference contributions
