OBJECTIVES AND AIMS

With the global focus on Circular Bioeconomy, the key players are the new generation of experts and managers who possess a broad educational background and can cover the entire spectrum of this multidisciplinary and cross-sectoral field. Within this framework, we would like to invite students and young scientists to participate in the 4th Summer School to be organized Live at Perrotis College (American Farm School), Thessaloniki, from 5 to 9 September 2022.

EXPECTED OUTCOMES

- Familiarization of students with current trends in Bioeconomy
- Increased interest in the particular Balkan region
- Introduction of new aspects and perspectives in sustainability and development
- Hands-on Student involvement

REGISTRATION FEE

Regular Fee: 250€

Limited Number of Fellowships upon application

The fee includes expenses for **Summer School** participation, coffee breaks, light lunch, dinner in Thessaloniki Center (Monday 5th), and the grill party (Friday 9th).

Web attendance only upon registration and payment of a total fee of 40€.

Certificate of attendance only for the students who are present and upon request.

ACCOMMODATION

At the American Farm School Campus, there are 14 apartments with 2 individual double rooms. The price is 35€/person/day including breakfast. The reservation will be based on priority registration. For reservation please contact Mr. Pantelis Hantzaras (phantz@afs.edu.gr) and please inform the organizers Anastasia Perouli (perouli.anastasia10@gmail.com) (email subject ISSCBSD2022) and Konstantinos Vorgias (cvorgias@biol.uoa.gr).
